Apart in distance.

Together in community.

United in love.

WELCOME | We're so glad you're joining us today
We are so glad you are joining with us today. If you are a visitor, we'd love to get to know you a little more, and how we can meet your needs and pray for you. Use our online Connection Card at mpbclife.com/connection.

WORSHIP | Raise your voice and your heart

Sing out – Sing even though no one else can hear you. Sing loud because no one else can hear you!
We do not sing for man, but in response to God.

Pray with us – Throughout the service, respond to the Lord in prayer. If you feel led to share your prayer, or would like the church staff to pray for you, reach out directly or at mpbclife.com/prayer.

Give – Giving is a response of gratefulness to the Lord and an act of worship to Him. Our MPBCLife app and the online giving portal at MPBCLife.com/give are both great options, and if you need other options please contact our staff during office hours.

Connect – Through Facebook and social media. Through email. Through the phone. While we are not together in person, we are together as a church family.

WATCH | mpbclife.com/watch

Join us directly through Vimeo at mpbclife.com/watch, or you can join on Facebook.com/MPBCLife and share in community feedback as we go. Our streaming service will begin at 11 am.
